MEMORANDUM

TO : J. Lee Rankin
General Counsel

May 8, 1964

FROM : Alfredda Scobey

As far as I can tell, none of the areas is responsible for handling any of the background or connections of Officer Tippit. Since he has been linked to both Oswald and Ruby by various rumors and since he was a principle figure in the events of November 22, I was wondering if any investigation of him had been undertaken.

cc: Mr. Willens
Miss Scobey
